TO PURCHASE YOUR DISCOUNT THEATRE TICKETS

To make your **tkts** experience as simple as possible, we'd like to share the following information:

- 1** Every ticket sold at **tkts** is discounted. Every day each individual show chooses the percentage of discount (50%, 40%, 30%, 20%) for their tickets.
- 2** When today's available shows are posted on the signs (30 minutes before **tkts** opens), choose three shows that you may want to see. Ticket availability changes throughout the day, and we want you to be able to get seats to one of your top choices.
- 3** Your **tkts** ticketseller will tell you where in the theatre the best available seat for your show is located.
- 4** If you prefer to see a non-musical production, the "PLAY ONLY" line, which is by window #12, is a much shorter line. Ask a **tkts** representative where this line begins.
- 5** We usually have tickets to most Broadway and Off Broadway shows at **tkts**. Right now we do not have tickets to *Jersey Boys*, *The Lion King* and *Wicked*.
- 6** **tkts** accepts credit cards, cash and traveller's checks.
- 7** Please examine your tickets and change prior to leaving the ticket window.
- 8** Beware of purchasing tickets on the street from individuals claiming to be ticketsellers, as they may not be legitimate.
- 9** We suggest that you arrive at the theatre between 15 and 30 minutes prior to curtain time.
- 10** Most theatregoers tend to dress casually, although many enjoy dressing up for weekend evening performances and for special occasions.
- 11** And most importantly – enjoy the show, and if you like it, tell a friend!
