Donation Receipt

Date: ____/____/____

Do you want your donation today to be used for credit toward future rentals or are you donating for tax purposes?

Please check the appropriate box below.

I would like the donation to be used toward the cost of future rentals. The TDF Costume Collection Rental Program will determine the value of the credit rewarded for the donation based on what we keep. We determine rental credit by what we believe the item would be worth for one rental at our lowest rental category. This credit can only be used towards rental costs or extension fees.

I want to receive a tax letter documenting my donation. Federal law provides that clothing and goods must be in good used or better for tax deductions. **Although your gift is fully tax deductible, we cannot place a monetary value on your donation.** In filing your taxes, you must declare a value for your own contributions. Please keep this signed form as a record of your donation. If you have questions, please consult your personal tax advisor.

The TDF Costume Collection Rental Program is a division of TDF and is a 501(c)(3) not-for-profit organization.

Please fill out the information below so we may send the donation information to the correct party. Do you prefer email? Yes No

We thank you for your efforts and your donation!**

If something that is donated is not appropriate for our stock we will find a new home for the item. We would love to be able to keep everything donated to us, but that is just not possible. Our goal is to have as much reused for as long as possible.
