Following the advice of a book entitled "How to Succeed in Business" a young window-cleaner, J. Pierrepont Finch, begins a meteoric rise from the mail-room to Vice President of Advertising at the World-Wide Wicket Company. Finch's unorthodox and morally-questionable business practices jeopardize not only his career, but also his romance with co-worker Rosemary Pilkington. With a beloved score by Frank Loesser, this whimsical musical is packed with hit standards such as "I Believe in You," "Happy to Keep His Dinner Warm," "The Company Way," and "The Brotherhood of Man."
