## WHERE and WHEN

**I will go to the Stephen Sondheim Theatre  
to see**

***& Juliet!***

**The theatre is located at  
124 West 43rd Street  
between Broadway and Sixth Avenue**

**The show begins at 1:00pm  
on Sunday, May 4th, 2025**

## ENTERING

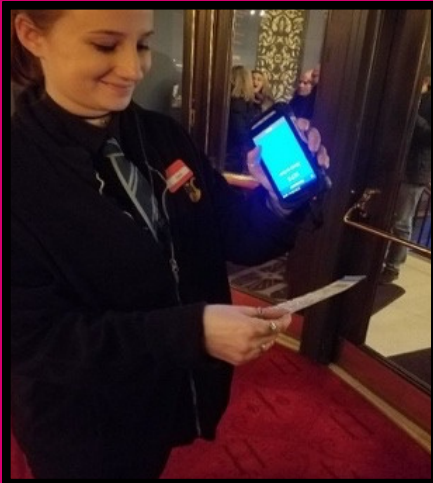

On my way in, I may have to wait in line.  
There will be people helping with security to make sure everyone is safe.  
As part of this team, I may see a dog.  
The dog will not touch me. The dog may bark to communicate with the security team.  
An usher will scan my ticket so I can get into the theatre.

## BATHROOMS

I may use the bathroom on the way to my seat or at any time during the show.

All bathrooms are family bathrooms

## TICKETING & SEATING

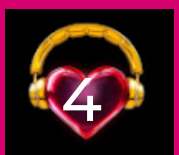

I will give my ticket to the usher so they can show me where my seat is. The numbers on the ticket let me know where my specific seat is.

I may need to take stairs to get to my seat. There are many seats in the theatre.

## PLAYBILL

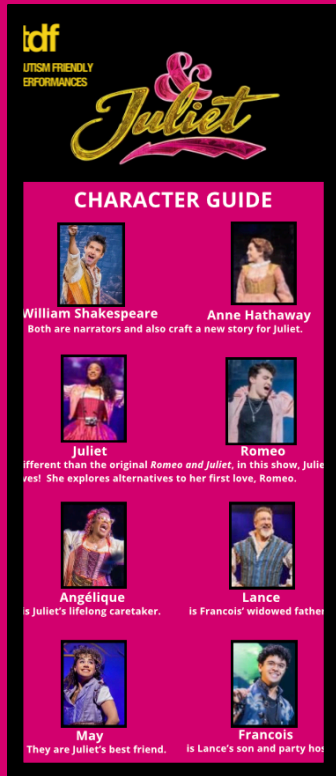

The usher may give me a Playbill. This is a booklet that has information in it about the show.

## VISUAL SUPPORTS

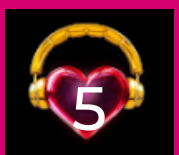

TDF Volunteers will be passing out visual supports.

These are also available with the other TDF preparatory material (visual checklist, event narrative logistics guide) prior to the show.

## FIDGETS

TDF Volunteers will also be passing out different fidget tools.

# THE PERFORMANCE

The theatre will become dark and quiet so the audience may experience the sounds of the show.

The actors wear costumes when performing. This helps them pretend to be the characters they are portraying.

The actors will not touch anyone in the audience.

## BREAK AREAS

If the show is ever too loud or too bright, I may take a break in one of the Break Areas. In these areas, there are bean bag chairs and mats that I may sit or lay on.

When I am ready, I may go back into the theatre to experience the show!

The show is 2 hours and 40 minutes.

This includes a 15-minute intermission, a break during the show.

## SHOW LENGTH

# CLAPPING

The audience may clap during and at the end of the show.

Clapping lets the actors know that the audience likes their performance.

If the clapping is too loud, I may ask a TDF volunteer for ear plugs or headphones to help make it quieter.
