On my way in, I may have to wait in line.

There will be people helping with security to make sure everyone is safe. As part of this team, I may see a dog. The dog will not touch me. The dog may bark to communicate with the security team.

I will give my ticket to the Usher so they can show me where my seat is.

The numbers on the ticket let me know where my specific seat is.

The Usher will give me a Showbill. This is a booklet that has information in it about the show.

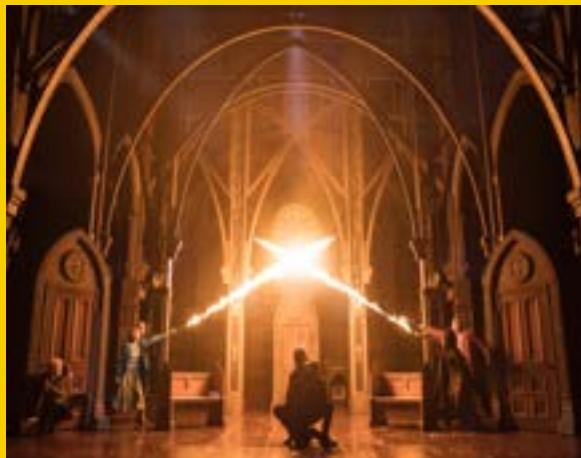

The theatre will become dark and quiet so the audience can experience the sounds of the show.

The actors wear costumes when performing. This helps them pretend to be the characters they are portraying.

The actors will not touch anyone in the audience.

BREAK AREA

If the show is ever too loud or too bright, I may take a break in one of the Break Areas.

In these areas, there are bean bag chairs and mats I may sit or lay on

When I am ready, I may go back into the theatre to experience the show!

The audience may clap during and at the end of the show.

Clapping lets the actors know that the audience likes their performance.

If the clapping is too loud I may ask a TDF volunteer for ear plugs or headphones to help make it quieter.

There will be an intermission, a break between Act 1 and Act 2.

During the intermission people may leave the seating area to get a drink, eat a snack, or to use the bathroom.

Snacks may also be ordered to each seat using an app.

After the intermission the audience comes back into the theatre and sits in their seats. The theatre will become dark and quiet.

The actors will come on the stage and finish the show, *Harry Potter and the Cursed Child*.
