SYNOPSIS

Santa Claus travels to New York City to host a holiday show as he makes his Christmas preparations and helps a child find the perfect gift. Joining him are the Radio City Rockettes performing dance routines that show what makes the holiday season special.

HISTORY

The Rockettes began as a precision dance company in 1925. They started performing at Radio City Music Hall in 1932. The first *Christmas Spectacular* at Radio City was performed in 1933.

A kick line is when dancers stand across the stage in a line, all kicking their legs up to the same level at the exact same time. The Rockettes are especially famous for performing kick lines.
